

**Exercise 1.21.** Use the `smallest-divisor` procedure to find the smallest divisor of each of the following numbers: 199, 1999, 19999.

**Answer.**

```
(smallest-divisor 199)
;Value: 199
```

```
(smallest-divisor 1999)
;Value: 1999
```

```
(smallest-divisor 19999)
;Value: 7
```
